COMPANY SUMMARY

L.G Industrial Supplies has been trading since 2012 with the purpose of providing the engineering and allied sector with a range of quality products and services in the following categories, supplying a vast selection of quality hand tools and power tools, fasteners, PPE, abrasives and hardware. Our prime focus is to provide competitive pricing and quality products to our clients and most of all ensuring CUSTOMERS receive our personal and professional attention at all times.

We are also a registered company on the government's central database Supplier Number: MAAA0035067

L.G INDUSTRIAL SUPPLIES (PTY) LTD

CK. No: 2012/173102/07 / Vat No. 4460270780

MISSION

To grow our business by providing quality products and services at great value when and where our customers want them, and by building positive, lasting relationships with our stakeholders.

VISION

To be the consumer's first choice for delivering products of outstanding quality and great service at a competitive cost through working, faster, simpler, smarter.

CORE VALUES

To earn our customers' trust and business every day ; act with integrity in everything we do ; treat everyone fairly and value diversity ; be accountable for our actions ; and win as a team.

WHAT WE DO...

We network with large and small corporate companies on an ongoing basis with a focus on increasing our client base. We have no doubt that we will achieve our targets and will continue to infiltrate the market as we certainly see a huge potential ahead of us
